Artists' Materials.

We respectfully call the attention of our customers to the fact that we have built a large kiln of the most approved pattern for the firing of decorated china. Having it on the premises we can thereby personally superintend the proper firing of all work sent to us by our patrons.

513 & 515 Sixth Avenue, N. Y.

ALL WHO ENGAGE IN

CHINA PAINTING,

Whether for pleasure or profit, will find that the obstacles in the way of having their work satisfactorily "fired," may be largely overcome by using Ford's **Miniature Kiln**. By use of this kiln, any articles of moderate size can be fired by the artist with perfect success, in an ordinary kitchen stove (the process being much simpler than is generally supposed), thus saving the delay, risk, and expense of sending elsewhere.

Prices: Small Sizes, \$3 and \$4; Largest Size, with special stove, complete, \$23. Send stamp for circular, with full information.
